April Speakers from NOAA

Michael Pavolonis, NOAA/NESDIS – NOAA Satellites & Services for Wildland Fire Management & Research
Dan Nietfeld, NOAA/GSL – NOAA Fire Weather Testbed

The ESIP Wildfire Cluster meets the 2nd Wednesday of the month at 4-5PM ET.

April Agenda:

- Fire situational awareness/forecast innovations
- Overview of improved modeling/real-time information on wildfire forecasts and conditions
- How to access and share this data
